Subject: Rico - Consent for Access

Rich -

Attached is the Consent for Access form that we discussed on the phone yesterday and today. If the document appears in order, please print it and have your client sign and date it. If you have any questions or concerns, please call me.

As we discussed, EPA plans on commencing sampling tomorrow, Wednesday, April 16, 2003. If your client is unable to sign the document prior to that time, I would appreciate a phone call providing verbal approval to be followed by written approval through your client's signature on the attached form.

Thank you for your assistance in getting this done in such a short time frame.
